H.B. No 5326 - An act concerning compassionate and in dying for terminally ill patients March 17, 2014

Marcello Sabino

Members of the Public Health Committee

My name is Marcello Sabino and I am a senior at St. Paul Catholic High School in Bristol. I am writing this letter in opposition to the proposed bill H.B. No 5326 - an act concerning compassionate aid in dying for terminally ill patients.

I don't support this bill because very often doctors life expectancy's can be incorrect and no even close to what it actually is. Plus this can lead to many other things as well as degrade the true value of life.

Thank you,

Marcello A. Sabino
